

Sprout Too News June, 2018

“Dinosaur hear me roar!” and did we ever hear dinosaurs roar! By the end of the month the Sprouts were calling the dinosaurs by name T-Rex, Long Necks and Triceratops. It is amazing how much the Sprouts learn and grow each month. They are capable of anything. Art time was filled with lots of fun projects. The Sprouts made T-Rex’s, glued teeth onto a dinosaur and made dinosaur bones. Circle time was a great time as well. Every song we sang we got up and danced to with musical toys! Getting up and moving is always a good thing.

Riley and **Knox** liked playing in the water table outside, it was filled with water and dinosaurs plus a big block of ice with small dinos stuck in it! It was exciting to watch it start to melt! Also, while playing outside, **Sawyer** and **Jasper** flocked to the sand box to use paint brushes and shovels to find more dinosaurs buried in the sand. During free play, **Vivian** and **Hunter** played in the sensory bins inside using the measuring cups to cover the little dinosaurs with rice. **Nick** and **Aubrey** liked playing with the dino eggs that had small dinos inside. It was like a surprise every time they cracked them open!

This month our theme is “Under the sea.” We will make paper plate turtles, paint whales and do sea sticker art. During circle time our books will include, “Way Down Deep”, “Ten Tiny Turtles” and Ten Splishy, Splashy Fish.” Songs we will sing are “Baby Beluga”, “A Sailor went to sea” and “Slippery Fish.”

Friendly reminder: Take your children's day sheets home and check art files in the hallway.

Thank you!
