

Seedlings July Newsletter

We hope all the Dads had a great Father's Day and enjoyed their silly cards that their little one helped make!

Happy Summer! We have been taking full advantage of the warm summer weather and have been pretty successful at getting outside every morning and afternoon, which the kids have loved! Please continue to make sure your child has proper, weather appropriate attire!

Your babies sure have been on the move lately and changing week by week!

Luke and **Eaven** turned ONE in June and are so big! They are running all around, are into everything, and have started to say some more words! **JJ** likes to practice his walking by pushing bikes and walkers around outside! **Lulu** is a really fast crawler and has started to climb on whatever she can! **Lillian** loves to pull up on things all day and is working hard on her crawling! **Teddy** is very adventurous with his crawling and loves feeding himself! **Ronin** is super close to crawling and loves trying new foods! **Izzy** likes to roll over and is working on trying to sit! Keep up all the hard work friends!

Please continue to label everything, (especially breast milk with the name and date)! Also, please refer to our sick policies on keeping your child home when they are sick, as it is extremely important in order to keep all of our children and staff healthy! If you have any questions about anything, feel free to ask any of us or the directors. Thanks for all that you do!

Dates to remember:

Wednesday, July 4th CLOSED FOR THE HOLIDAY.

Friday, July 6th: First Friday

Wednesday, July 25th: Growing Tree Bar-B-Q and Graduation. 5:30-7:30pm. All families encouraged to attend!

Ms. Jolene, Ms. Melanie, Ms. Korinea
