

# Sprout I News

Summer is finally here and it is getting hot, hot, hot! June was amazing as we learned all about trucks, trains and all things that go. **Alex** and **Reese** loved flying airplanes in the clouds. **Reese** piled all her airplanes in the clouds and **Alex** flew her airplane all around the classroom. **Owen** had a blast riding the motorcycle around and around the playground. He loves staying safe wearing his helmet. **Emmett** and **Meera** let their cars speed down the car ramp over and over laughing when the cars hit the trampoline on the bottom and bounced off. **Chloé** enjoyed practicing her skills on our new scooter, while **Eleni** traveled around driving a car chatting with friends along the way. **Cash** filled the big airplane and train wagon full of animals and pushed them around the room saying "Look, the animals ride." **Ellie** put toys in the Thomas the Train ride and scooted around the playground making stops along the way watching her friends play. Everybody enjoyed painting and coloring trucks, cars and helicopters, as well as making road signs and license plates with their names. Learning about different modes of transportation was so much fun!

In July we are going Under the Sea!! We will be exploring coral reefs and tide pools and learning about all the creatures in the sea. We will be reading the "Clumsy Crab" and "Tickly Octopus", and singing "Catch a Fish" and "Waves in the Sea." We will try our hand at fishing, check out the ocean through sensory bottles and make octopus, crabs and jellyfish. Outside we will play Pin the Legs on the

# Sprout I News

Octopus, Jellyfish Jump and Shark Tooth Hunt. There will be a lot of water table play and some water balloon popping to help keep us cool on those hot days!

Now that we have some warm weather coming our way we will be doing a lot more water play so make sure to check your child's basket to be sure they have weather appropriate clothes in case we need an extra outfit if they get too wet playing.

## Dates to remember:

**Wednesday, July 4<sup>th</sup>**- NO SCHOOL, HOLIDAY

**Friday, July 6<sup>th</sup>**- First Friday

**Wednesday, July 25<sup>th</sup>**- Growing Tree Bar-B-Que and Graduation; all families encouraged to attend.

Teresa, Amy, Nana Julie
