

## Bud News, 2018

It has been an amazing start to a new fresh school year! It didn't take long for all the Buds to settle into our routine. They are all doing a great job, and we are going to have so much fun this year. We read, Brown Bear, Brown Bear, What Do You See, which the Buds really enjoyed. We also played a game with felt animals that went along with the story; this was one of **Chloe'** and **Meera's** favorite game to play. When the game was over, they would say, "Let's play again." We learned the rainbow song, and talked about everyone's favorite color. **Eleni** loves blue and **Nick** likes orange.

The art table was all about colors this month. We mixed colors to see what different colors they would turn into, and also read the book, Mouse Paint. The Buds used eye droppers to drip water colors on their paper to make a rainbow, and **Riley** said "Look, I have all the colors on my paper." Friends started to sing the rainbow song after they all looked at their friends beautiful rainbows.

The Buds made bear tracks with potato stamps and even got to mix up all the ingredients to make different colored play dough. **Resse** enjoyed pouring in the water and **Sawyer** got to pour in the flour.

The bear cave was a big hit! The Buds enjoyed pretending to be sleeping bears in their cave, and this was one of **Cash's** and **Emmett's** favorite spot to be! **Knox** loved to read stories to the bears, and **Hazel** loved taking care of the pink bear. **Ellie** loved to cuddle up with the big bears, and **Yosh** and **Hadley** enjoyed learning the bear hunt song. Some Buds then took their bear hunting skills outside and pretended to run after bears to catch them!

The sensory table was filled with bears where **Kellen** really enjoyed color sorting. **Goose** enjoyed picking up the colored bears with the tongs and dropping them in the colored cups. "I did it!" he would say with a big smile.

The **All About Me Board** featured **Meera** and **Knox** this month. Did you know Meera is learning another language called Gujarati, and her favorite toys are babies, blocks, and bikes.

Knox loves to play Frisbee, baseball, ride his bike, and his favorite places are the ocean and camping.

We would like to welcome **Alex, Jasper and Vivian** to our room. They are now old enough to move up from the Sprout rooms, and have had a blast coming over and playing with us this month.

In October we will be reading The Little Old Lady Who Was Not Afraid Of Anything, by Linda Williams. This story is about an old lady who runs into all different kinds of clothing on her walk through the woods. At the end of the story, she puts them all together to make a scarecrow! The Buds will also be working on sounds, sequencing, building vocabulary, and recognizing feelings. Our theme this month is Pumpkins, which means we will be doing lots of pumpkin activities! We hope to see you all at the DD Ranch on Saturday October 6<sup>th</sup>. We wish everyone a fun and safe Halloween.

Please feel free to contact us with any questions or comments or concerns. Thank you.

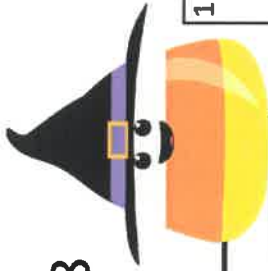

Mrs. Deborah & Mrs. Salina

#### Dates to Remember:

- School Photos-October 4<sup>th</sup> and 5<sup>th</sup>
- First Friday-October 5<sup>th</sup>
- DD Ranch-October 6<sup>th</sup>

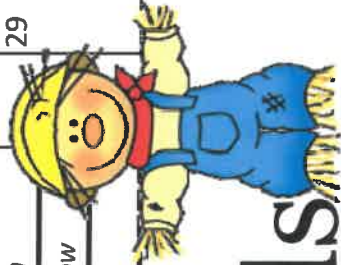

Oct-18
