

Bud News

May was a **busy** month, filled with amazing authors that we all loved. We enjoyed getting to read a variety of different books every day. Thanks to all of you who brought in stories from *home to share*. Some of the Bud's favorite books were; *Cat in the Hat* and of course all the *Pete the Cat* books. We look forward to incorporating some of these authors into our themes for the remainder of the year.

We also had the pleasure of meeting **Brittany** and introducing her into our classroom. We are extremely grateful to have her and feel that she is going to be the perfect fit with Miss Amy! Speaking of **Miss Amy**, thank you for all your hard work making the Mother's Day gifts happen. They were beautiful—Mom's we hope you felt loved and appreciated on your *special day*.

It is June!! Can you believe it? We are *so excited* for some nice weather and hope that all these clouds have passed for the season because we want to play on our **new playground** when it opens! Speaking of new playgrounds; the Buds have shown a lot of interest in the construction site outside of our window!

We also had a bit of "construction" happening in our room while we rearranged our furniture, so we've decided to let the Buds take a "**whack**" at it themselves and do all things construction for the month of June. Be *careful*, these workers may not know what they are doing. We are officially going under, "**Kidstruction!**"

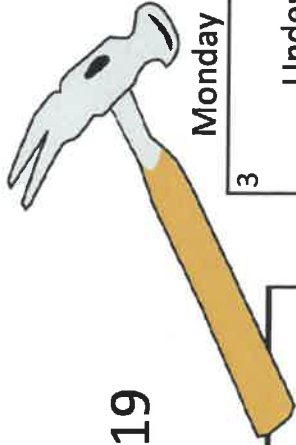

Housekeeping: Please be sure that you have taken all your children's snow clothes home and consider bringing in some more summer appropriate spare clothes for your Bud. Thank you!

We hope you have a great month!

Miss Kendra, Miss Amy and Miss Brittany

Jun-19

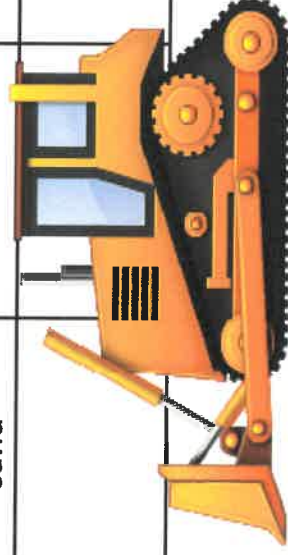

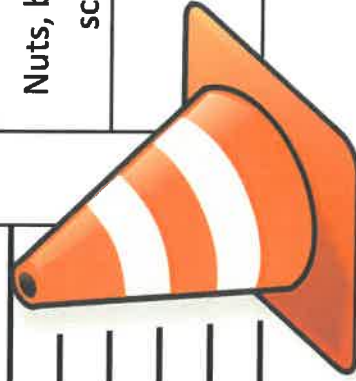

UNDER CONSTRUCTION

Notes:

This month's book:
Dig Dogs Dig
Tip Tip Dig Dig
I love Tools
