

Sprout Too News

Hello everyone, it is June! So hard to believe how fast the time is going. The Sprouts had a lot of fun in the month of May. Our theme was all about transportation. **Liam** and **Kailiana** loved singing the song, "Zoom, zoom, zoom, we are going to the moon". **Sage** and **Sawyer** liked to pretend that they were fire trucks working to put out fires all around the classroom. **Charlotte** had fun washing the cars in the sensory bins, and **Luke** liked rolling the car tires in the paint. **Eaven** and **Whit** had fun rocking the boat outside and singing, Row, row, row your boat.

Our theme for the month of June is, Summer Picnics. Included in this we will be exploring bugs, stamping with lemons, making collages, kites, caterpillars and much, much more! Some of the songs we will be singing are; "Once I Caught a Fish" and "You Are My Sunshine. The books that we will be reading include, Teddy Bear Picnic, Summer Picnic and In My Garden.

Please remember to bring in extra clothes for your child to accommodate the warmer weather (hopefully), and to check your child's art folders, (some of which are getting full).

Thank you,

Ms. Kristin & Ms. Kelcy
