

# THE MONTHLY **SPROUT 2**

GROWING TREE CHILDREN'S CENTER

June 1, 2020

*"Positive mind. Positive vibes. Positive life."* ☺

This month we are going to share our Coronavirus BLESSINGS:

- **Kelcy:** Focusing on self-care.
- **Tracy:** Picking up new hobbies.

## Sprout 2 News

Last month we studied "Shapes and colors." This was a fun study!

**Aspen and Ronin:** loved making shape collages using glue and paint brushes. During circle we sang a color of the rainbow song.

**Opal and Om:** really enjoyed singing along to that tune!

**Piper** liked to do shape sorters during free play. She would name the different shapes as she put them in their correct spots.

**Ronin and Piper:** have been riding the motorcycles together outside. We love seeing friendships form! Pretend play is a daily activity.

**Om:** likes to put on a hat and use a toy sack to collect toys!

**Opal:** takes such good care of her baby dolls. She makes sure they have their pillows and blankets.

Our June study is all about Bugs.

Books:

- The Itsy-Bitsy Spider
- The Very Hungry Caterpillar
- Ten Little Lady Bugs

Songs:

- Five Green and Speckled Frogs
- Baby Bumble Bee
- Five Little Lady Bugs

Activities:

- We will be going on bug hunts
- Making wiggly worm painting
- Bug sticker art
- Fly swatter craft

We will have individual sensory bins with real dirt and toy bugs. As you can see in one of the photos below, the Sprouts have been excited about exploring nature outside with finding sticks, leaves and bugs.

Zoom has been a great way for us to stay connected! We are always here to support our Growing Tree families. Feel free to share photos or comments on Seesaw at any time.

We are so thankful for our Growing Tree community! Have a great month!
