

# THE MONTHLY

GROWING TREE CHILDREN'S CENTER

# SEED

June 1, 2019

Dear Families,

This month we are going to share our Coronavirus BLESSINGS:

- **Jolene:** Has been enjoying having lunches with her son Neal.
- **Deann:** Has been grateful for the interconnectedness of our world and our community on all levels.

In June, we welcome **Nora** back into our classroom. We have enjoyed watching her videos on the Seesaw app. It will be fun to see the growth she has made with crawling.

**Belle** will join the Growing Tree for the first time. Her sisters were previously part of our Growing Tree family. We look forward to re-connecting with her parents Laura and Jeff.

**Charlie** our newest little friend is a pure delight. She is in the process of sleep training and enjoys playing under her baby gym. She enjoys being held and being talked to. Her Grammy enjoys her noon time feedings with Charlie.

**Finley** will return to the Growing Tree as a Big Seed! We are Happy that we will get to see him from time to time next door.

We continue to miss **Tula**, and **Mackson** while they are at home. Please feel free to post videos to Seesaw so that we can stay connected.

**Autumn** is a great communicator. She gives us lots of smiles, giggles, eye contact and lots of happy squeals. She enjoys a wide variety of spoon foods and is starting to drink water with a sippy cup. She can sit with little support and is working on her tummy time each day.

**Kate** and **Mason** are preparing for their transition to the Big Seed room this summer. New for the both of them this month is:

- Eating meals at their own big kid table.
- Doing projects such as painting, drawing, and sticking things together (tape, glue, and stickers).
- Kate does hand motions to Itsy Bitsy Spider. She has great hand rolls.
- Mason signs "All Done" and "More" frequently.
- Outside, Mason has learned that he can get onto the riding toy by himself.
- Kate is enjoying walking behind the push toy and has also figured out how to turn the toy around.
- Kate is walking!

We have so much fun watching your children grow and learn. We can hardly wait to see what June holds.

As always Thank You for sharing your children with us,

Ms. Jolene and Ms. Deann
